The DREAM CENTER

Delivering Resources, Education, Access, & Mentorship

POWER HOUR:

DEMYSTIFYING THE 84.325K NIA

SESSION 5: ADEQUACY OF RESOURCES

What You Will Learn:

Reconnect with DREAM mentors and colleagues in our curated Power Hour series designed to support your OSEP Personnel Prep grant proposal writing efforts.

During this Power Hour, you will:

- **Unpack the Adequacy of Resources section and reviewer expectations**
- **Explore strategies for demonstrating institutional capacity, partnerships, personnel, and resources necessary to support successful project implementation**
- **Consider ways to highlight access to high-quality field experiences, mentoring supports, technology, and other project resources**
- **Engage in guided writing, active work time, and Q&A with an expert grant writing professional**
- **Leave with a stronger draft section to continue building within your proposal**

Start strong and build a solid foundation for a competitive proposal!
